My “Under the Son” Experience

續上期

I was in this youth camp 2 years ago when I was 13. I felt I could get more from this one - getting closer to God. This is a good, uplifting and inspiring experience. I am not very spiritual but still with good feeling of seeing other youths prepared so much works for this camp. It must be from God and the Holy Spirit. I would like to be one of them - so confident and joyful! I have to start praying for that. God bless!!

by Clarine Chan

“Under the Son 2009” was my second Under the Son experience. Again I learned more about the Catholic religion and how God can co-exist in today’s world, with all its technology. It was another eye opening experience where I learned so much about God, praying, evangelization and much more. Although I only stayed for two days, I made lots of new friends and had a lot of fun.

by William Chan

“Under the Son” was a new experience to my life. It was a fun yet learning experience. I have made plenty of new friends. I have learned plenty from all the talks that we discussed. My favorite part of this whole youth rally was the band.

by Godfrey Yeung

The “Under the Son” experience was great! I got to learn more about God. I met lots of new people there. The part of the camp that was of most fun was singing along with the band and playing the mini games that they made up. After the talk of each guest speaker we went into groups and discussed about the speech. Everyone gave his opinion. There were things I didn’t know until I went to the camp and learn about God. I thought He is only in heaven watching us but after the camp I know He is everywhere. “Under the Son” is a great camp where people get to know God better. I think young people should participate in this camp more.

by Angus So

“Under the Son” was a very good experience. I had a lot of fun. I would want to do it again.

by Sylvain Yeung

“Under the Son” was a very good experience in my life. I will never forget the great friends I met and made. I had a great time with them. I had so much fun. I feel that I am a lot closer to God. I have learned so much more about the Catholic religion. My favorite part is when we had an Asian pyramid. The part I dislike the most is sitting on the grass. I think they should have supplied us with chairs.
